

Hello, I am Rana!

I believe brevity is the key. 3D clothes and digital designs are all about the fashion world in the future.

About Rana Soleimany

I am a clothing designer who does this with my software skills It took me a while to find this talent in myself, I am eager to learn more abilities every day so that I can improve on the path I am on. I'm experienced in fashion design, 3d Modeling, Texturing and Rendering.

Background

Isfahan University Of
Thecnology

Textile Engineering
Master's degree, 2020 - 2022

3d up studio
